Each title is followed by a code that designates the article’s category. The categories used in this volume are listed below.

Chaque titre est suivi d’un code qui indique dans quelle catégorie l’article appartient. Les catégories utilisées dans ce volume sont les suivantes.

Abstracts • Résumés (ABS)
Continuing Medical Education • Formation médicale continue (CME)
Correspondence • Correspondance (C)
Editorial • Éditorial (E)
Research • Recherche (Res)
Quill on Scalpel • Plume et scalpel (QS)
Review • Revue (Rev)

Subjects • Sujets

- A -
Abdominal injuries
CAGS and ACS Evidence-Based Reviews in Surgery. 29. Computed tomographic angiography for the diagnosis of blunt cervical vascular injury (Kirkpatrick and others) (CME) 243

Abscess
Subtotal splenectomy for splenic abscess (Nagem and Petroianu) (CME) E91

Academic medical centres
Strategic faculty recruitment increases research productivity within an academic university division (Chung and others) (Res) 401

Accidents, traffic
Motorcycle-related trauma in Alberta: a sad and expensive story (Monk and others) (Res) E235

Achilles tendon
Clarification of the Simmonds–Thompson test for rupture of an Achilles tendon (Douglas and others) (CME) E40

Safety and hospital costs of Achilles tendon surgery: the serendipitous impact of a randomized clinical trial (Geel and others) (Res) 467

Adenocarcinoma
Carcinoma in the fourth part of the duodenum (Kumar and Pavan Kumar) (CME) E69

Adenocarcinoma, mucinous
Surgical cytoreduction and intraperitoneal chemotherapy for peritoneal carcinomatosis arising from the appendix (Siders and others) (Res) 135

Adenoma, pleomorphic
Giant parotid mass (Phillips and Premachandra) (CME) E21

Adrenal gland disease
Giant symptomatic adrenal cyst in a patient with an ectopic kidney (Inan and others) (CME) E25

Adrenal gland neoplasms
Adrenal incidentalomas in the laparoscopic era and the role of correct surgical indications: observations from 255 consecutive adenalecetomies in an Italian series (Conzo and others) (Res) E281

Ambulatory surgical procedures
Outpatient thyroid surgery: Should patients be discharged on the day of their procedures? (Trottier and others) (Res) 182

Anastomosis, Roux-en-Y
Can Roux-en-Y gastric bypass provide a lifelong solution for diabetes mellitus? (Hussain and others) (Res) E269

Five-year outcomes of laparoscopic adjustable gastric banding and laparoscopic Roux-en-Y gastric bypass in a comprehensive bariatric surgery program in Canada (Christou and Efthimiou) (Res) E249

Anastomosis, surgical
Lymphoma following ileal pouch anal anastomosis (Swett Cosentino and others) (CME) E123

Anemia
Complete anemia reversal after surgical excision of mesenteric hyaline-vascular unicentric Castenfian disease (Bejiani and others) (CME) E197

Antibacterial agents
Case Series. Pneumoretroperitoneum secondary to duodenal perforation after endoscopic retrograde cholangiopancreatography (Ruiz-Tovar and others) (CME) 68

Antibiotic prophylaxis
Antibiotic prophylaxis for total joint replacement surgery: results of a survey of Canadian orthopedic surgeons (de Beer and others) (Res) E229

CAGS and ACS Evidence-Based Reviews in Surgery. 30. Prophylactic antibiotics for mesh inguinal hernioplasty (Neumayer and others) (CME) 441

Antithrombotic prophylaxis
Factors influencing antibiotic prophylaxis for surgical site infection prevention in general surgery: a review of the literature (Gagliardi and others) (Res) 481

Aortic aneurysm
Occlusion of the common and internal iliac arteries for aortoiliac aneurysm repair: experience with the amplatzer vascular plug (Grenon and others) (Res) E276

Aortic aneurysm, abdominal
Canadian experience with percutaneous endovascular aneurysm repair: short-term outcomes (Grenon and others) (Res) E156

Appendectomy
An unexpected severe complication after a negative laparoscopic appendectomy (de Castro and others) (CME) E295

Needlescopic versus laparoscopic appendectomy: a systematic review (Sajid and others) (Res) 129

Appendiceal neoplasms
Surgical cytoreduction and intraperitoneal chemotherapy for peritoneal carcinomatosis arising from the appendix (Siders and others) (Res) 135

Surgical Images: Soft Tissue. Mucinous cystadenoma of the appendix (Ng and Lee) (ME) 158

Arthroplasty
Antibiotic prophylaxis for total joint replacement surgery: results of a survey of Canadian orthopedic surgeons (de Beer and others) (Res) E229

Case Series. Combined large Hill–Sachs and bony Bankart lesions treated by Latarjet and partial humeral head resurfacing: a report of 2 cases (Grondin and Leith) (CME) 249

Factors affecting perioperative blood loss and transfusion rates in primary total joint arthroplasty: a prospective analysis of 1642 patients (Bell and others) (Res) 295

Outcomes of total joint arthroplasty in academic versus community hospitals (Gandhi and others) (Res) 413

Arthroplasty, replacement, hip
Digital versus conventional templating techniques in preoperative planning for total hip arthroplasty (Kosashvili and others) (Res) 6

Employment status and personal characteristics in patients awaiting hip-replacement surgery (Bohn) (Res) 142

Hemi- versus total hip arthroplasty for femoral neck fixation (Pal Singh and others) (C) E312

Arthroplasty, replacement, knee
Computer-assisted FluoroGuide navigation of unicompartmental knee arthroplasty (Ma and others) (Res) 379

Effect of hand packing versus cement gun pressurization on cement mantle in total knee arthroplasty (Kopec and others) (Res) 490

Arthroscopy
Pigmented villonodular synovitis in both hindfeet (Krause and others) (CME) E38
INDEX TO VOLUME 52

Ascutic fluid
Detected peritoneal fluid in small bowel obstruction is associated with the need for surgical intervention (O’Daly and others) (Res) 201

Bariatric surgery
Bariatric surgery waiting times in Canada (Christou and Efthimiou) (Res) 229
Five-year outcomes of laparoscopic adjustable gastric banding and laparoscopic Roux-en-Y gastric bypass in a comprehensive bariatric surgery program in Canada (Christou and Efthimiou) (Res) E249

Bed rest
Postoperative bed rest improves the alignment of thoracolumbar burst fractures treated with the AO spinal fixator (Dang and others) (Res) 215

Biliary fistula
Importance of liver drainage in biliary–bronchopleural fistula resulting from thoracoabdominal gunshot injury (Ball and others) (CME) E12

Blood loss, surgical
Factors affecting perioperative blood loss and transfusion rates in primary total joint arthroplasty: a prospective analysis of 1642 patients (Bell and others) (Res) 295

Blood transfusion
Factors affecting perioperative blood loss and transfusion rates in primary total joint arthroplasty: a prospective analysis of 1642 patients (Bell and others) (Res) 295

Blood vessel prosthesis implantation
Canadian experience with percutaneous endovascular aneurysm repair: short-term outcomes (Grenon and others) (Res) E156

Bone cements
Effect of hand packing versus cement gun pressurization on cement mantle in total knee arthroplasty (Kopec and others) (Res) 490

Bone cysts
Radiology for the Surgeon. Musculoskeletal case 43. Ulnar impaction syndrome (Alkubaidan and others) (CME) 65

Bone diseases
Case Series. Combined large Hill–Sachs and bony Bankart lesions treated by Latarjet and partial humeral head resurfacing: a report of 2 cases (Grondin and Leith) (CME) 249

Breast neoplasms
Breast cancer infiltration by cardiothoracic surgery (Akinci and others) (CME) E66
Lymphatic cording or axillary web syndrome after breast cancer surgery (Tilley and others) (CME) E105
Prediction of involvement of sentinel and nonsentinel lymph nodes in a Canadian population with breast cancer (Rami-Resnic and others) (Res) 23

Bronchial fistula
Importance of liver drainage in biliary–bronchopleural fistula resulting from thoracoabdominal gunshot injury (Ball and others) (CME) E12

Carbon dioxide
Paradoxical carbon dioxide embolism during laparoscopic unroofing of a recurrent nonparasitic liver cyst (Sendt and others) (CME) E97

Carcinoid tumour
Incidental malignant carcinoid within Crohn ileitis (Hwang and others) (CME) E58

Carcinoma, adenosquamous
Cholecystic adenosquamous carcinoma mimicking Mirizzi syndrome (Horio and others) (CME) E71

Carcinoma, bronchogenic
Radiology for the Surgeon. Musculoskeletal case 44. Skeletal muscle metastasis from non–small cell lung cancer (Althathol and Munk) (CME) 246

Carcinoma, hepatocellular
Stepwise carcinogenesis of hepatocellular carcinoma in a nodule surrounded by hyperplastic and hypervascular liver tissue (Morise and others) (CME) E5

Carcinoma, neuroendocrine
Colonic large-cell neuroendocrine tumours (Gravante and others) (CME) E49
Primary solid neuroendocrine carcinoma of the breast (Stita and others) (CME) E289

Carcinoma, non-small-cell lung
Incidental carcinoma in bullous emphysema (Abu Arab and others) (CME) E36
The role of positron emission tomography in the management of non–small cell lung cancer (Behzadi and others) (Rev) 235

Cardiopulmonary resuscitation
A rare complication of cardiopulmonary resuscitation (Kottachchi and others) (CME) E1

Cardiovascular surgical procedures
Incidence and impact of dysphagia in patients receiving prolonged endotracheal intubation after cardiac surgery (Barker and others) (Res) 119

Catheterization
Percutaneous catheter drainage in the treatment of abdominal compartment syndrome (Vikrama and others) (CME) E19

Cerebellar neoplasms
Cerebellar liponeurocytoma (Patel and others) (CME) E117
Extra-axial medulloblastoma in the cerebellopontine angle (Fallah and others) (CME) E101
Isolated metastasis to the cerebellopontine angle secondary to breast cancer (Chiong and others) (CME) E213

Cerebellopontine angle
Isolated metastasis to the cerebellopontine angle secondary to breast cancer (Chiong and others) (CME) E213

Cesarean section
Case Series. Incisional endometriosis: a report of 3 cases (Sengul and others) (CME) 444

Chemotherapy, adjuvant
A prospective evaluation of venous thromboembolism in patients undergoing cytoreductive surgery and hyperthermic intraperitoneal chemotherapy (Lanuke and others) (Res) 18
Concordance with clinical practice guidelines for adjuvant chemotherapy in patients with stage I-III colon cancer: experience in 2 Canadian provinces (Wirtzfeld and others) (Res) 92
Outcomes in patients with popliteal sarcomas (Turcotte and others) (Res) 51
Surgical cytoreduction and intraperitoneal chemotherapy for peritoneal carcinomatosis arising from the appendix (Sideris and others) (Res) 135

Cholangiopancreatography, endoscopic retrograde
Case Series. Pneumoretroperitoneum secondary to duodenal perforation after endoscopic retrograde cholangiopancreatography (Ruiz-Tovar and others) (CME) 68

Cholecystectomy, laparoscopic
Advanced laparoscopic training and outcomes in laparoscopic cholecystectomy (Bohacek and Pace) (Res) 291
Conversion in laparoscopic cholecystectomy after gastric resection: a 15-year review (Fraser and Sigman) (Res) 463
Getting started with robotics in general surgery with cholecystectomy: the Canadian experience (Jaryaram and others) (Res) 374
Unexpected bile duct stones formed around surgical clips 4 years after laparoscopic cholecystectomy (Kager and Ponsioen) (CME) E114

Choleodochal cyst
Choleodochal cysts. Part 1 of 3: Classification and pathogenesis (Singham and others) (Rev) 434
Choleodochal cysts. Part 2 of 3: Diagnosis (Singham and others) (Rev) 506

Cholelithiasis
The management of treatment-resistant biliary calculi using percutaneous endourologic techniques (Ray and others) (Res) 407

Cholelithiasis
Gastric outlet obstruction secondary to biliary calculi: 2 cases of Bouveret syndrome (O’Neill and others) (CME) E16
Endoscopy, gastrointestinal
Surgical Biology for the Clinician. Peritoneal mesothelioma: current understanding and management (Chua and others) (CME) 59

Epidermal cyst
Case Series. Dermatoses of the nipple (Parlakgumus and others) (CME) 166

Equipment failure analysis
A biomechanical study of conventional acetabular internal fracture fixation versus locking plate fixation (Mehin and others) (Res) 221

Esophageal neoplasms
Esophageal carcinoma presented with a skull tumour (Kao and others) (CME) E215

Femoral neoplasms
Mortality and complications following stabilization of femoral metastatic lesions: a population-based study of regional variation and outcome (Ristevski and others) (Res) 302

Fluid therapy
Substantial variation of both opinions and practice regarding perioperative fluid resuscitation (Chong and others) (Res) 207

Fluoroscopy
Computer-assisted FluoroGuide navigation of unicompartmental knee arthroplasty (Ma and others) (Res) 379

Foreign bodies
Clinical management of cocaine body packers: the Hillingdon experience (Beckley and others) (Res) 417
Intussuscepted intestine through a rectal foreign body (Ball and others) (CME) E191
Video-assisted thoracoscopic surgery (VATS) for penetrating chest wound: thoracoscopic exploration and removal of a penetrating foreign body (Komatsu and others) (CME) E301

Fracture fixation
Efficacy of different fixation devices in maintaining an initial reduction for surgically managed distal radius fracture (Geller and others) (Res) E161

Fracture fixation, external
Distraction osteogenesis technique using an intramedullary nail and a monolateral external fixator in the reconstruction of massive poststernectomy skeletal defects of the femur (Res) 103
Postoperative bed rest improves the alignment of thoroacolumbar burst fractures treated with the AO spinal fixator (Dang and others) (Res) 215

Fracture fixation, internal
A biomechanical study of conventional acetabular internal fracture fixation versus locking plate fixation (Mehin and others) (Res) 221
Cemented bipolar hemiarthroplasty in osteoporosis for failed femoral neck fixation (Gandhi and others) (CME) E44
Extracapsular extrusion of a horizontal metacarpal head fracture (ElMaraghy and others) (CME) E10
Hoffa fracture with ipsilateral patellar dislocation resulting from household trauma (Vaishya and others) (CME) E3
Mortality and complications following stabilization of femoral metastatic lesions: a population-based study of regional variation and outcome (Ristevski and others) (Res) 302
Pinning technique for shoulder fractures in adolescents: computer modelling of percutaneous pinning of proximal humeral fractures (Mehin and others) (Res) E222

Fractures, bone
Do corticosteroids reduce the risk of fat embolism syndrome in patients with long-bone fractures? A meta-analysis (Bederman and others) (Res) 386
Intrathoracic scapular impaction: an unusual complication (Porte and others) (CME) E62
Isolated quadrilateral plate fracture: an unusual acatabular fracture (Laflamme and others) (CME) E217
Pinning technique for shoulder fractures in adolescents: computer modelling of percutaneous pinning of proximal humeral fractures (Mehin and others) (Res) E222
Predictors of laparotomy and mortality in polytrauma patients with pelvic fractures (Ali and others) (Res) 271

Fractures, open
The interobserver reliability of classification systems for radial head fractures: the Hotchkiss modification of the Mason classification and the AO classification systems (Sheps and others) (Res) 277

Fractures, open
Listfranc injury caused by a pedal brake perforating the foot (Kacou and others) (CME) E64

Gallbladder
Control of the bleeding gallbladder bed using a pedicled falciform ligament flap based on the left inferior phrenic artery and middle segment hepatic artery (Naraynsingh and Ramdass) (CME) E203

Gallstones
Unexpected bile duct stones formed around surgical clips 4 years after laparoscopic cholecystectomy (Kager and Ponsioen) (CME) E114

Ganglioneuromatosis
Nodular ganglioneuroblastoma in adults (Peycru and others) (CME) E111

Gastroenteritis
Conversion in laparoscopic cholecystectomy after gastric resection: a 15-year review (Fraser and Sigman) (Res) 463

Gastric bypass
Can Roux-en-Y gastric bypass provide a lifelong solution for diabetes mellitus? (Hussain and others) (Res) E269
Five-year outcomes of laparoscopic adjustable gastric banding and laparoscopic Roux-en-Y gastric bypass in a comprehensive bariatric surgery program in Canada (Christou and Efthimiou) (Res) E249

Gastric outlet obstruction
Gastric outlet obstruction secondary to biliary calculi: 2 cases of Bouveret syndrome (O’Neill and others) (CME) E16

Gastrointestinal hemorrhage
Comparison of gastrointestinal complications in on-pump versus off-pump coronary artery bypass grafting (Croome and others) (Res) 123
Intra-abdominal bleeding from a seromuscular tear of an ascending rectosigmoid intramural hematoma after stapled hemorrhoidopexy (Augustin and others) (CME) E14

Gastrointestinal stromal tumour
Gastrointestinal stromal tumours: outcomes of surgical management and analysis of prognostic variables (Unalp and others) (Res) 31
Massive gastrointestinal bleeding caused by stromal tumour of the jejum (Caliskan and others) (CME) E185

General surgery
Does general surgery residency prepare surgeons for community practice in British Columbia? (Hwang) (Res) 196

Giant lymph node hyperplasia
Complete anaemia reversal after surgical excision of mesenteric hyaline-vascular unicentric Castleman disease (Bejani and others) (CME) E197

Goitre
The efficacy and safety of total thyroidectomy in the management of benign thyroid disease: a review of 932 cases (Efremidou and others) (Res) 39

Graves disease
The efficacy and safety of total thyroidectomy in the management of benign thyroid disease: a review of 932 cases (Efremidou and others) (Res) 39

Head and neck neoplasms
Hibernoma of the neck: a rare benign tumour (Peycru and others) (CME) E52

Hemangioma
Left colon and liver hemangiomas (Plummer and others) (CME) E195

Hemobilia
Hemocholecyst associated with antithrombotic therapy (Zangrandi and others) (CME) E297
Massive hemobilia (Demyttenaere and others) (CME) E109
INDEX AU VOLUME 52

Hepatectomy
Hepatic resection in Canada: rates and geographic variation (McColl and others) (Res) E264
Population-based review of the outcomes following hepatic resection in a Canadian health region (Dixon and others) (Res) 12
Results of simultaneous and delayed liver resections of synchronous colorectal liver metastases (Slupski and others) (CME) E241

Hepatitis C
Spontaneous intrahepatic echinococcal cyst rupture in a patient with chronic hepatitis C infection (Konstadoulakis and others) (CME) E120

Surgical Biology for the Clinician. Operating on a patient with hepatitis C (Asthana and Kneteman) (CME) 337

Hernia, abdominal
Traumatic abdominal hernia with pretestinal herniation (McBeth and others) (CME) E207

Hernia, diaphragmatic
Persistent nonhealing skin fistulous tract after congenital diaphragmatic hernia repair (Vasquez and others) (CME) E75
Thoracic splenosis accompanied by diaphragmatic hernia (Sahin and others) (CME) E295

Hernia, inguinal
Carcinoma of the sigmoid colon in an incarcerated inguinal hernia (Ruiz-Tovar and others) (CME) E31
Inguinoscrotal extraperitoneal herniation of ureter (Sharma and others) (CME) E29

Hernia, obturator
Perforated obturator Littre hernia (Jacob and others) (CME) E77

History of medicine
The history of women in surgery (Wirtzfeld) (Rev) 317

Hospital costs
Safety and hospital costs of Achilles tendon surgery: the serendipitous impact of a randomized clinical trial (Goel and others) (Res) 467

Hyperaldosteronism
Laparoscopic treatment of primary hyperaldosteronism in a pregnant patient (Nursal and others) (CME) E188

Hyperthermia, induced
A prospective evaluation of venous thromboembolism in patients undergoing cytoreductive surgery and hyperthermic intraperitoneal chemotheray (Lanuke and others) (Res) 18

Surgical Biology for the Clinician. Peritoneal mesothelioma: current understanding and management (Chua and others) (CME) 59

-I-

Ileal neoplasms
Incidental malignant carcinoid within Crohn ileitis (Hwang and others) (CME) E58

Ileus
Surgical Biology for the Clinician. Pharmacological management of postoperative ileus (Zeinali and others) (CME) 153

Incidental findings
Adrenal incidentalomas in the laparoscopic era and the role of correct surgical indications: observations from 255 consecutive adrenalectomies in an Italian series (Conzo and others) (Res) E281

Infectious disease transmission
H1N1 and the surgeon (Harvey) (E) 372
Le virus H1N1 et le chirurgien (Harvey) (E) 373
Surgical Biology for the Clinician. Operating on a patient with hepatitis C (Asthana and Kneteman) (CME) 337

Influenza virus, H1N1 subtype
H1N1 and the surgeon (Harvey) (E) 372
Le virus H1N1 et le chirurgien (Harvey) (E) 373

Interdisciplinary communication
Evaluation of preoperative and perioperative operating room briefings at the Hospital for Sick Children (Khoshbin and others) (Res) 309

Internship and residency
Block to succeed: the Canadian orthopedic resident research experience (Chan and others) (Res) 187
Does general surgery residency training provide competence in community-based pediatric surgery? (Skarsgard) (C) E220
The author replies (Hwang) (C) E220

Does general surgery residency prepare surgeons for community practice in British Columbia? (Hwang) (Res) 196
Impact of orthopedic trauma consolidation on resident education (Martins and Johnston) (Res) 495

Intestinal obstruction
Detected peritoneal fluid in small bowel obstruction is associated with the need for surgical intervention (O’Daly and others) (Res) 201
Giant mesenteric cystic lymphangioma in an infant presenting with acute bowel obstruction (Méndez-Gallart and others) (CME) E42

Intestinal perforation
Forming an intracorporeal slip-knot in laparoscopic suturing (Jaffer) (CME) E23
Intra-abdominal bleeding from a seromuscular tear of an ascending rectosigmoid intramural hematoma after stapled hemorroidopexy (Augustin and others) (CME) E14
Mock appendicitis: small bowel perforation secondary to lung cancer metastasis (Belanger and Gagné) (CME) E205
Perforated obturator Littre hernia (Jacob and others) (CME) E77

Intestinal volvulus
Radiology for the Surgeon. Soft tissue case 61. Midgut volvulus (Aird and others) (CME) 343

Intestines
Intestinal duplication presenting with recurrent abdominal pain (Plummer and others) (CME) E103

Intubation, intratracheal
Incidence and impact of dysphagia in patients receiving prolonged endotracheal intubation after cardiac surgery (Barker and others) (Res) 119

Intussusception
Intussuscepted intestine through a rectal foreign body (Ball and others) (CME) E191

-J-

Jejunal neoplasms
Jejunal carcinoma in a patient with Peutz–Jeghers syndrome (Sinha and others) (CME) E299

Joint diseases
Radiology for the Surgeon. Musculoskeletal case 43. Ulnar impaction syndrome (Alkubaidan and others) (CME) 65

Joint instability
Case Series. Combined large Hill–Sachs and bony Bankart lesions treated by Latarjet and partial humeral head resurfacing: a report of 2 cases (Gordin and Leith) (CME) 249
Chronic volar distal radioulnar joint instability: joint capsular plication to restore function (Johnston and others) (Res) 112

-K-

Kidney
Giant symptomatic adrenal cyst in a patient with an ectopic kidney (Inan and others) (CME) E25

-L-

Language
Translation of the Patient Scar Assessment Scale (PSAS) to French with cross-cultural adaptation, reliability evaluation and validation (Deslauriers and others) (Res) E239

Laparoscopy
Advanced laparoscopic training and outcomes in laparoscopic cholecystectomy (Bohacek and Pace) (Res) 291
An unexpected severe complication after a negative laparoscopic appendectomy (de Castro and others) (CME) E295
Needlescopic versus laparoscopic appendectomy: a systematic review (Sajid and others) (Res) 129
The adoption of laparoscopic colorectal surgery: a national survey of general surgeons (Moloo and others) (Res) 455

Laparotomy
CAGS and ACS Evidence-Based Reviews in Surgery. 28.
Comparison of on-demand and planned relaparotomy for secondary peritonitis (Brasel and others) (CME) 56
Predictors of laparotomy and mortality in polytrauma patients with pelvic fractures (Ali and others) (Res) 271
INDEX TO VOLUME 52

Leg length inequality
Distraction osteogenesis technique using an intramedullary nail and a
monolateral external fixator in the reconstruction of massive
postosteomyelitis skeletal defects of the femur (Res) 103

Ligaments
Control of the bleeding gallbladder bed using a pedicled falciiform
ligament flap based on the left inferior phrenic artery and middle
segment hepatic artery (Narayani and Ramdass) (CME) E203

Lipoma
Hibernoma of the neck: a rare benign tumour (Peycru and others)
(CME) E52

Liver diseases
Population-based review of the outcomes following hepatic resection
in a Canadian health region (Dixon and others) (Res) 12

Liver neoplasms
Results of simultaneous and delayed liver resections of synchronous
colorectal cancer liver metastases (Slupski and others) (Res) E241
Stepwise carcinogenesis of hepatocellular carcinoma in a nodule
surrounded by hyperplastic and hypervascular liver tissue (Morise
and others) (CME) E5

Lumbar vertebrae
Potential triaging of referrals for lumbar spinal surgery consultation:
A comparison of referral accuracy from pain specialists, findings on
advanced imaging and a 3-item questionnaire (Simon and others)
(Res) 473
The who, what and when of surgery for the degenerative lumbar
spine: a population-based study of surgeon factors, surgical
procedures, recent trends and reoperation rates (Bederman and
others) (Res) 283

Lung neoplasms
Mock appendicitis: small bowel perforation secondary to lung cancer
metastasis (Belanger and Gagne) (CME) E205
Preoperative and perioperative management of patients with
suspected lung cancer (Karapolat) (C) 163
Drs. Che and Liu reply (Che and Liu) (C) 163

Lymph node excision
Lymphatic cording or axillary web syndrome after breast cancer
surgery (Tilley and others) (CME) E105
Prediction of involvement of sentinel and nonsentinel lymph nodes in
a Canadian population with breast cancer (Ramjeesingh and
others) (Res) 23

Lymphangioma, cystic
Cystic lymphangioma of the jejunal mesentery presenting with acute
abdomen in an adult (Chung and Song) (CME) E286
Giant mesenteric cystic lymphangioma in an infant presenting with
acute bowel obstruction (Medina-Gallart and others) (CME) E42
Huge cystic lymphangioma of the pancreas (Chung and others)
(CME) E303
Minimally invasive excision of a mediastinal cystic lymphangioma
(Hunt and others) (CME) E201

Lymphoma
Lymphoma following ileal pouch anal anastomosis (Swett Cosentino
and others) (CME) E123

Malacoplaikia
Malacoplaikia of the neck in a patient with cancer of the colon
(Hamodat and others) (CME) E107

Mammary glands
Mammary ductoscopy in the evaluation and treatment of pathologic
nipple discharge: a Canadian experience (Simpson and others)
(Res) E245

Mediastinal neoplasms
Mature cystic teratoma in the posterior mediastinum (Ogata and
others) (CME) E73

Medulloblastoma
Extra-axial medulloblastoma in the cerebellopontine angle (Fallah
and others) (CME) E101

Meeting abstracts
Bethune Round Table 2009 9th Annual Conference: Clinical Care in
Context, 346
Canadian Society for Vascular Surgery 2009 Annual Meeting, 357

Canadian Society of Surgical Oncology Fifteenth Annual Scientific
Meeting, 256
Canadian Surgery Forum abstracts of presentations to the Annual
Meetings of the Canadian Association of General Surgeons,
Canadian Association of Thoracic Surgeons, Canadian Hepato-
Pancreato-Biliary Society, Canadian Society of Surgical Oncology
and Canadian Society of Colon and Rectal Surgeons, Suppl. Aug.
Trauma Association of Canada Combined annual scientific meeting
of the TAC and the Australasian Trauma Society, Suppl. Apr.

Melanoma
Primary malignant melanoma of the tongue (Khalifa and others)
(CME) E309

Mesenteric veins
Protein C deficiency and mesenteric venous thrombosis (Rharritt and
others) (CME) E35

Mesentery
Cystic lymphangioma of the jejunal mesentery presenting with acute
abdomen in an adult (Chung and Song) (CME) E286

Meta-analysis
Development of the Veritas plot and its application in cardiac
surgery: an evidence-synthesis graphic tool for the clinician to
assess multiple meta-analyses reporting on a common outcome
(Panasar and others) (Res) E137

Military medicine
Catastrophe surgery: response to multiple casualties or individual
patients with devastating injuries (McAlister) (QoS) 175
Toward a platform for training and practice standards in advanced
minimally invasive surgery (Birch and others) (Rev) 321

Motorcycles
Motorcycle-related trauma in Alberta: a sad and expensive story
(Monk and others) (Res) E235

Multiple trauma
Predictors of laparotomy and mortality in polytrauma patients with
pelvic fractures (Ali and others) (Res) 271

Muscle neoplasms
Radiology for the Surgeon. Musculoskeletal case 44, Skeletal muscle
metastasis from non–small cell lung cancer (Alhathlol and Munk)
(CME) 246

Myocardial revascularization
Recent evolution in demographic and clinical characteristics and in-
hospital morbidity in patients undergoing coronary surgery
(Baillot and others) (Res) 394

Myositis ossificans
Myositis ossificans traumatica of the abdominal wall (Rosa and
Mohammadi) (CME) E33

Myositis ossificans traumatica of the abdominal wall (Rosa and
Mohammadi) (CME) E33

-N-

National health programs
Canadian health care is not universal (Harvey) (E) 173
Le système de santé du Canada n’est pas universel (Harvey) (E) 174

Neoplasm invasiveness
Breast cancer infiltration by cardiothoracic surgery (Akinci and
others) (CME) E66

Neoplasm recurrence, local
Local recurrence after rectal cancer treatment in Manitoba
(Latosinsky and Turner) (Res) 45

Neoplasms, muscle tissue
Inflammatory myofibroblastic tumour (Firat and others) (CME) E60

Neoplasms, radiation-induced
Radiation dose from initial trauma assessment and resuscitation:
review of the literature (Hui and others) (Rev) 147
Neoplasms, retroperitoneal neoplasms
Inflammatory myofibroblastic tumour (Firat and others) (CME) E60

Neurocytoma
Cerebellar liponeurocytoma (Patel and others) (CME) E117

Nipples
Case Series. Dermatoses of the nipple (Parlakgumus and others) (CME) 160
Mammary ductoscopy in the evaluation and treatment of pathologic nipple discharge: a Canadian experience (Simpson and others) (Res) E245

Obesity, morbid
Bariatric surgery waiting times in Canada (Christou and Efthimiou) (Res) 229

Occupational exposure
Radiation dose from initial trauma assessment and resuscitation: review of the literature (Hui and others) (Rev) 147

Octreotide
Successful palliation of diarrhea owing to malignant duodenocolic fistula by octreotide (Giridhar and others) (CME) E306

Omentum
Teratoma of the greater omentum (Ait Ali and others) (CME) E54

Operating rooms, organization and administration
Evaluation of preoperative and perioperative operating room briefings at the Hospital for Sick Children (Khoshbin and others) (Res) 309

Orthopedic procedures
Outcome errors are not necessary for learning orthopedic bone drilling (Khokhota and others) (Res) 98

Orthopedics
Block to succeed: the Canadian orthopedic resident research experience (Chan and others) (Res) 187
Dedicated orthopedic trauma theatres: effect on morbidity and mortality in a single trauma centre (Lemos and others) (Res) 87

Osteoarthrosis, hip
Digital versus conventional templating techniques in preoperative planning for total hip arthroplasty (Koshivili and others) (Res) 6

Osteogenesis
Distraction osteogenesis technique using an intramedullary nail and a monolateral external fixator in the reconstruction of massive postosteomyelitis skeletal defects of the femur (Res) 103

Osteoma, osteoid

Osteoporosis
Cemented bipolar hemiarthroplasty in osteoporosis for failed femoral neck fixation (Gandhi and others) (CME) E44

Pain measurement
Potential triaging of referrals for lumbar spinal surgery consultation: a comparison of referral accuracy from pain specialists, findings on advanced imaging and a 3-item questionnaire (Simon and others) (Rev) 473

Pancreas
Huge cystic lymphangioma of the pancreas (Chung and others) (CME) E303

Paraganglioma
Duodenal gangliocytic paraganglioma (Sánchez-Pérez and others) (CME) E27

Patellar dislocation
Hoffa fracture with ipsilateral patellar dislocation resulting from household trauma (Vaishya and others) (CME) E3

Patient discharge
Outpatient thyroid surgery: Should patients be discharged on the day of their procedures? (Trottier and others) (Res) 182

Pediatrics
Does general surgery residence training provide competence in community-based pediatric surgery? (Skarsgard) (C) E220
The author replies (Hwang) (C) E220

Pelvic neoplasms
Perineal schwannoma (Pantè and others) (CME) E8

Peritoneal neoplasms
Surgical Biology for the Clinician. Peritoneal mesothelioma: current understanding and management (Chung and others) (CME) 39

Peritonitis
CAGS and ACS Evidence-Based Reviews in Surgery. 28. Comparison of on-demand and planned relaparotomy for secondary peritonitis (Brasel and others) (CME) 56

Personnel selection
Strategic faculty recruitment increases research productivity within an academic university division (Chung and others) (Res) 401

Peutz-Jeghers syndrome
Jejunal carcinoma in a patient with Peutz-Jeghers syndrome (Singha and others) (CME) E299

Physician’s practice patterns
Substantial variation of both opinions and practice regarding perioperative fluid resuscitation (Chong and others) (Res) 207
The adoption of laparoscopic colorectal surgery: a national survey of general surgeons (Moloo and others) (Res) 455
The who, what and when of surgery for the degenerative lumbar spine: a population-based study of surgeon factors, surgical procedures, recent trends and reoperation rates (Bederman and others) (Res) 283

Pleural neoplasms
Primary myxoid sarcoma of the pleura (Arab and others) (CME) E93

Pneumatosis cystoides intestinalis
An unusual case of free air (Vogt and others) (CME) E95

Pneumothorax
The occult pneumothorax: What have we learned? (Ball and others) (Rev) E173
Weather and chinook winds in relation to spontaneous pneumothoraces (Schieman and others) (Res) E151

Positron-emission tomography
The role of positron emission tomography in the management of non–small cell lung cancer (Behzadi and others) (Rev) 235

Practice guidelines
Canadian consensus conference on the development of training and practice standards in advanced minimally invasive surgery (Birch and others) (Res) 321
Concordance with clinical practice guidelines for adjuvant chemotherapy in patients with stage I–III colon cancer: experience in 2 Canadian provinces (Warnock and others) (Res) 92
Toward a platform for training and practice standards in advanced minimally invasive surgery (Warnock) (E) 268
Vers un modèle de normes de formation et du pratique en techniques avancées de chirurgie minimalement invasive (Warnock) (E) 269

Predictive value of tests
Detected peritoneal fluid in small bowel obstruction is associated with the need for surgical intervention (O’Daly and others) (Res) 201
Prediction of involvement of sentinel and nonsentinel lymph nodes in a Canadian population with breast cancer (Ramjeeesingh and others) (Res) 27
The interobserver reliability of classification systems for radial head fractures: the Hotchkiss modification of the Mason classification and the AO classification systems (Sheps and others) (Res) 277

Pregnancy, ectopic
Ruptured ectopic pregnancy presenting as intestinal obstruction (Singh and others) (CME) E99

Prosthesis failure
Pseudomonas aeruginosa–infected infrarenal abdominal aorta pseudoaneurysm secondary to laparoscopic colorectal surgery: failure of endovascular stent graft treatment after primary open repair failed (Mazzalai and others) (CME) E193

Protein C deficiency
Protein C deficiency and mesenteric venous thrombosis (Rharritt and others) (CME) E35

Prosthesis implantation
Oclusion of the common and internal iliac arteries for aortoiliac aneurysm repair: experience with the amplatzer vascular plug (Singha and others) (Res) E276

Public health
Emphasis on prevention (Rakovich) (C) E312
Publishing

A surgical review of the priority claims attributed to Abraham Groves (1847–1935) (Geddes and McAlister) (Res) E126
Strategic faculty recruitment increases research productivity within an academic university division (Chung and others) (Res) 401

Pulmonary embolism

A prospective evaluation of venous thromboembolism in patients undergoing corticosteroid surgery and hyperthermic intraperitoneal chemotherapy (Lanuке and others) (Res) 18

Pulmonary emphysema

Incidental carcinoma in bullous emphysema (Abu Arab and others) (CME) E56

Questionnaires

Potential triaging of referrals for lumbar spinal surgery consultation: a comparison of referral accuracy from pain specialists, findings on advanced imaging and a 3-item questionnaire (Simon and others) (Res) 473

Radiation dosage

Radiation dose from initial trauma assessment and resuscitation: review of the literature (Hui and others) (Rev) 147

Radiographic image interpretation, computer-assisted

Digital versus conventional templating techniques in preoperative planning for total hip arthroplasty (Kosashvili and others) (Res) 6

Radiotherapy, adjuvant

Local recurrence after rectal cancer treatment in Manitoba (Latosinsky and Turner) (Res) 45
Outcomes in patients with popliteal sarcomas (Turcotte and others) (Res) 51
Seven-year survival after intraluminal resection and adjuvant radiotherapy for a giant-cell tumour of the sixth cervical vertebra (Rerri and Opadele) (CME) E87

Range of motion

Chronic volar distal radioulnar joint instability: joint capsular plication to restore function (Johnston and others) (Res) 112

Recovery of function

Outcomes of total joint arthroplasty in academic versus community hospitals (Gandhi and others) (Res) 413

Rectal neoplasms

Local recurrence after rectal cancer treatment in Manitoba (Latosinsky and Turner) (Res) 45

Renal artery

Renal artery avulsion from blunt abdominal trauma in a horseshoe kidney: endovascular management and an unexpected complication (Trottier and others) (CME) E291

Reoperation

CAGS and ACS Evidence-Based Reviews in Surgery. 28.
Comparison of on-demand and planned relaparotomy for secondary peritonitis (Brasel and others) (CME) E295

Retropneumoperitoneum

Case Series. Pneumoretroperitoneum secondary to duodenal perforation after endoscopic retrograde cholangiopancreatography (Ruiz-Tovar and others) (CME) 68

Risk factors

Recent evolution in demographic and clinical characteristics and hospital morbidity in patients undergoing coronary surgery (Baillot and others) (Res) 394

Robotics

Getting started with robotics in general surgery with cholecystectomy: the Canadian experience (Jayaraman and others) (Res) 374

Rupture

Clarification of the Simmonds-Thompson test for rupture of an Achilles tendon (Douglas and others) (CME) E40

Rupture, spontaneous

Ruptured ectopic pregnancy presenting as intestinal obstruction (Singh and others) (CME) E99
Spontaneous intrahepatic echinococcal cyst rupture in a patient with chronic hepatitis C infection (Konstadoulakis and others) (CME) E120

Sarcoma

Outcomes in patients with popliteal sarcomas (Turcotte and others) (Res) 51

Sarcoma, synovial

Management of a small incidentally discovered retropitoneal synovial sarcoma (Gomatos and others) (CME) E199

Sigmoid neoplasms

Carcinoma of the sigmoid colon in an incarcerated inguinal hernia (Rerri and Opadele) (CME) E31

Spinal diseases

The who, what and when of surgery for the degenerative lumbar spine: a population-based study of surgeon factors, surgical procedures, recent trends and reoperation rates (Bederman and others) (Res) 283

Spinal fractures

Postoperative bed rest improves the alignment of thoracolumbar burst fractures treated with the AO spinal fixator (Dang and others) (Res) 215

Spinal fusion

Monitoring placement of high thoracic pedicle screws by triggered electromyography of the intercostal muscles (Norton and Hedden) (CME) E47

Spinal neoplasms

Seven-year survival after intraluminal resection and adjuvant radiotherapy for a giant-cell tumour of the sixth cervical vertebra (Rerri and Opadele) (CME) E87

Splenectomy

Subtotal splenectomy for splenic abscess (Nagem and Petroianu) (CME) E91

Splenic diseases

Splenic hydatid cyst (Karabicak and others) (CME) E209

Splenosis

Thoracic splenosis accompanied by diaphragmatic hernia (Sahin and others) (CME) E293

Surgery, computer-assisted

Computer-assisted FluoroGuide navigation of unicompartmental knee arthroplasty (Ma and others) (Res) 379
Getting started with robotics in general surgery with cholecystectomy: the Canadian experience (Jayaraman and others) (Res) 74

Surgical instruments

Surgical Technique. A simple home-made self-retaining retractor for thyroidectomy (Chow and others) (CME) S23

Surgical mesh

CAGS and ACS Evidence-Based Reviews in Surgery. 30.
Prophylactic antibiotics for mesh inguinal hernioplasty (Saedi and others) (CME) E293

Surgical site infection

Factors influencing antibiotic prophylaxis for surgical site infection prevention in general surgery: a review of the literature (Gagliardi and others) (Res) 481

Surgical techniques

Forming an intracorporeal slip-knot in laparoscopic suturing (Jaffer) (CME) E23

Synostosis

Intrathoracic scapular impaction: an unusual complication (Porte and others) (CME) E62
| Synovitis, pigmented villonodular | Pigmented villonodular synovitis in both hindfeet (Krause and others) (CME) E38 | -T- |
| Teratoma | Mature cystic teratoma in the posterior mediastinum (Ogata and others) (CME) E73 |
| | Teratoma of the greater omentum (Ait Ali and others) (CME) E54 |
| Thoracic surgery, video-assisted | Video-assisted thoracoscopic surgery (VATS) for penetrating chest wound: thoracoscopic exploration and removal of a penetrating foreign body (Komatsu and others) (CME) E301 |
| Thrombosis | Arotic thrombosis complicating Crohn disease: an unusual complication (Bashir Khan and others) (CME) E182 |
| | Hemocholecyst associated with antithrombotic therapy (Zangrandi and others) (CME) E297 |
| Thyroid disease | Outpatient thyroid surgery: Should patients be discharged on the day of their procedures? (Trottier and others) (Res) 182 |
| Thyroidectomy | Surgical Technique. A simple home-made self-retaining retractor for thyroidectomy (Chow and others) (CME) 523 |
| | The efficacy and safety of total thyroidectomy in the management of benign thyroid disease: a review of 932 cases (Efremidou and others) (Res) 39 |
| Time factors | Influence of delays to nonemergent colon cancer surgery on operative mortality, disease-specific survival and overall survival (Simunovic and others) (Res) E79 |
| Tracheostomy | Tracheostomy: from insertion to decannulation (Engels and others) (Rev) 427 |
| Trauma centres | Dedicated orthopedic trauma theatres: effect on morbidity and mortality in a single trauma centre (Lemnos and others) (Res) 87 |
| | Impact of orthopedic trauma consolidation on resident education (Martins and Johnston) (Res) 495 |
| Traumatology | Catastrophe surgery: response to multiple casualties or individual patients with devastating injuries (McAlister) (QoS) 175 |
| Universal coverage | Canadian health care is not universal (Harvey) (E) 173 |
| Ureteral diseases | Intravesical extraperitoneal herniation of ureter (Sharma and others) (CME) E29 |
| Urologic surgical procedures | The management of treatment-resistant biliary calculi using percutaneous endourologic techniques (Ray and others) (Res) 407 |
| Venous thrombosis | A prospective evaluation of venous thromboembolism in patients undergoing cytoreductive surgery and hyperthermic intraperitoneal chemotherapy (Lanuke and others) (Res) 18 |
| | Protein C deficiency and mesenteric venous thrombosis (Rharritt and others) (CME) E35 |
| Waiting lists | Bariatric surgery waiting times in Canada (Christou and Efthimiou) (Res) 229 |
| Weight-bearing | A biomechanical study of conventional acetabular internal fracture fixation versus locking plate fixation (Mehin and others) (Res) 221 |
| Wind | Weather and chinook winds in relation to spontaneous pneumothoraces (Schieman and others) (Res) E151 |
| Wounds and injuries | Injury in Kampala, Uganda: 6 years later (Demyttenaere and others) (Res) E146 |
| | Importance of liver drainage in biliary–bronchopleural fistula resulting from thoracoabdominal gunshot injury (Ball and others) (CME) E12 |
| Wounds, gunshot | CAGS and ACS Evidence-Based Reviews in Surgery. 29. Computed tomographic angiography for the diagnosis of blunt cervical vascular injury (Kirkpatrick and others) (CME) 243 |
| | Renal artery avulsion from blunt abdominal trauma in a horseshoe kidney: endovascular management and an unexpected complication (Trottier and others) (CME) E291 |
| | Update on managing diaphragmatic rupture in blunt trauma: a review of 208 consecutive cases (Chugh and others) (Res) 177 |
