*Trauma Association of Canada abstracts*

DOI: 10.1503/cjs.005714

The Trauma Association of Canada (TAC) 2014 Annual Scientific Meeting abstract supplement published in May 2014 contained an error in the abstract on page S48, entitled “Chest drain insertion in the emergency department: compliance with guidelines in a university hospital emergency department.” The author list should read K.T.D. Yeung, J. Ollerton. We apologize for this error.
