
Article title (and manuscript #)

The *Canadian Journal of Surgery* requires that the contributions of each author of the above-mentioned manuscript be provided to the Editorial Office before publication.

To be listed as an author, individuals must have contributed to at least 1 task from each of 3 columns of authorship criteria. (This is outlined in our instructions for authors, published every January.)

Authorship criteria

- | | | |
|---|---|--|
| 1.
<input type="checkbox"/> conception and design
<input type="checkbox"/> acquisition of data
<input type="checkbox"/> analysis/interpretation | 2.
<input type="checkbox"/> writing of article
<input type="checkbox"/> critical review of article | 3.
<input type="checkbox"/> final approval for publication |
|---|---|--|

Individuals who do not meet our authorship criteria may be listed in an acknowledgements section at the end of the article.

**Please check the specific contributions of each author in the space provided below.
This information will be published at the end of the article.**
