

Each title is followed by a code that designates the article's category. The categories used in this volume are listed below.

Chaque titre est suivi d'un code qui indique dans quelle catégorie l'article appartient. Les catégories utilisées dans ce volume sont les suivantes.

**Continuing Medical Education • Formation médicale continue (CME)**

**Commentary • Commentaire (Comment)**

**Correspondence • Correspondance (C)**

**Editorial • Éditorial (E)**

**Research • Recherche (Res)**

**Review • Revue (Rev)**

**Supplement • Supplément (Suppl)**

–A–

**Abdominal wound closure**

The impact of a massive transfusion protocol (1:1:1) on major hepatic injuries: Does it increase abdominal wall closure rates? (Ball and others) (Res) E128

**Abscess, abdominal**

NOTES for the management of an intra-abdominal abscess: transcolonic peritonoscopy and abscess drainage in a canine model (Moustarah and others) (Res), 159

**Abstracts**

Bethune Round Table 2013. 13th Annual Conference (Suppl) S43  
 Canadian Society for Vascular Surgery 2013 Annual Meeting (Suppl) S145  
 Canadian Spine Society. Thirteenth Annual Scientific Conference (Suppl) S53  
 Canadian Surgery Forum (Suppl) S79  
 Trauma 2013. Trauma Association of Canada (TAC) Annual Scientific Meeting (Suppl) S1

**Accidents**

Severe street and mountain bicycling injuries in adults: a comparison of the incidence, risk factors and injury patterns over 14 years (Roberts and others) (Res) E32

**American College of Surgeons**

Canadian contribution to the ACS (McAlister) (E) 222  
 Contribution du Canada à l'ACS (McAlister) (E) 223

**Aneurysm, coronary**

Off-pump anteroapical aneurysm plication following left ventricular postinfarction aneurysm: effect on cardiac function, clinical status and survival (Huang and others) (Res) 119

**Aortic aneurysm, abdominal**

Adding an endovascular aortic surgery program to a rural regional medical centre (Marelli and others) (Res) E105

**Appendectomy**

Clinical outcomes compared between laparoscopic and open appendectomy in pregnant women (Chung and others) (Res) 341  
 Open appendectomy for pediatric ruptured appendicitis: a historical clinical review of the prophylaxis of wound infection and postoperative intra-abdominal abscess (Ein and others) (Res) E7

**Arthroplasty, replacement, hip**

Complications following hip arthroscopy: a retrospective review of the McMaster experience (2009–2012) (Chan and others) (Res) XX10  
 Total hip arthroplasty in steroid-induced osteonecrosis: early functional and radiological outcomes (Rahman and others) (Res) 41  
 Total hip arthroplasty using a combined anterior and posterior approach via a lateral incision in patients with ankylosed hips (Li and others) (Res) 332

**Arthroplasty, replacement, knee**

Comment on "Comparison of the major intraoperative and postoperative complications between unilateral and sequential bilateral total knee arthroplasty in a high-volume community hospital" (Razii and Morgan-Jones) (C) E172

Comment on "Comparison of the major intraoperative and postoperative complications between unilateral and sequential bilateral total knee arthroplasty in a high-volume community hospital": the authors respond (Spicer and others) (C) E172

Comparison of the major intraoperative and postoperative complications between unilateral and sequential bilateral total knee arthroplasty in a high-volume community hospital (Spicer and others) (Res) 311

Surgical waste audit of 5 total knee arthroplasties (Stall and others) (Res) 97

**Attitude of health personnel**

About time (Harvey) (E) 149  
 Il est grand temps (Harvey) (E) 150  
 Interest and applicability of acute care surgery among surgeons in Quebec: a provincial survey (Joos and others) (Res) E63  
 Is the culture of surgery still a gender issue? (McGrath and others) (C) E171  
 Is the culture of surgery still a gender issue?: the authors respond (Brown and others) (C) E171  
 Surgical culture in transition: gender matters and generation counts (Brown and others) (Res) 153

–B–

**Bariatric surgery**

Biological effects of bariatric surgery on obesity-related comorbidities (Noria and Grantcharov) (Rev) 47  
 Evaluation of the Swedish adjustable gastric band VC (SAGB-VC) in an Australian population: early results (Keogh and others) (Res) 15  
 Laparoscopic bariatric surgery can be performed safely in secondary health care centres with dedicated service corridor to an affiliated tertiary health care centre (Christou) (Res) E68  
 Outcomes of the adjustable gastric band in a publicly funded obesity program (Chiu and others) (Res) 233

**Bethune Round Table**

Bethune Round Table 2013. 13th Annual Conference (Suppl) S43

**Blood transfusion**

The impact of a massive transfusion protocol (1:1:1) on major hepatic injuries: Does it increase abdominal wall closure rates? (Ball and others) (Res) E128

**Breast neoplasms**

Quality indicators for sentinel lymph node biopsy: Is there room for improvement? (Acuna and others) (Res) 82

–C–

**CAGS and ACS Evidence Based Reviews in Surgery**

44. Is there an association between implementation of a medical team training program and surgical mortality? (Pawlik and others) (CME) 65  
 45. Impact of the 80-hour work week on mortality and morbidity in trauma patients (Brasel and others) (CME) 204  
 46. Cost-effectiveness of bariatric surgery for severely obese adults with diabetes (Henteleff and others) (CME) 353  
 47. Does the long-term use of aspirin decrease the risk of death due to cancer? (Chaudhury and others) (CME) 427  
 Role of Evidence-Based Reviews in Surgery in teaching critical appraisal skills and in journal clubs (Ahmadi and others) (Res) E98

**Canadian Association of Bariatric Physicians and Surgeons**

Canadian Surgery Forum (Suppl) S79

**Canadian Association of General Surgeons**

Canadian Surgery Forum (Suppl) S79

**Canadian Association of Thoracic Surgeons**

Canadian Surgery Forum (Suppl) S79

**Canadian Hepato-Pancreato-Biliary Association**

Canadian Surgery Forum (Suppl) S79

**Canadian Society for Vascular Surgery**

Canadian Society for Vascular Surgery 2013 Annual Meeting (Suppl) S145

**Canadian Society of Colon and Rectal Surgeons**

Canadian Surgery Forum (Suppl) S79

**Canadian Society of Surgical Oncology**

Canadian Surgery Forum (Suppl) S79

**Canadian Spine Society**

Canadian Spine Society. Thirteenth Annual Scientific Conference (Suppl) S53

**Carcinoma, non-small cell lung**

Outcomes: wedge resection versus lobectomy for non-small cell lung cancer at the Cancer Centre of Southeastern ONtario 1998–2009 (McGuire and others) (Res) E165

**Carcinomatosis**

Physicians' awareness of cytoreductive surgery and hyperthermic intraperitoneal chemotherapy for colorectal cancer carcinomatosis (Spiegel and others) (Res) 237

**Child**

Open appendectomy for pediatric ruptured appendicitis: a historical clinical review of the prophylaxis of wound infection and postoperative intra-abdominal abscess (Ein and others) (Res) E7  
 Pediatric ovarian torsion: case series and review of the literature (Poonai and others) (Res) 103

**Clinical competence**

CAGS clinical practice committee report: the science of *Clostridium difficile* and surgery (Karmali and others) (Comment) 367  
 Safety and efficiency assessment of training Canadian cardiac surgery residents to perform aortic valve surgery (Chen and others) (Res) 180  
 What is an ideal surgical clerkship? (Tahiri and Liberman) (Comment) 151

**Clinical trials as topic**

Why perform a priori sample size calculation? (Farrokhyar and others) (CME) 207

**Clostridium difficile**

CAGS clinical practice committee report: the science of *Clostridium difficile* and surgery (Karmali and others) (Comment) 367

**Colorectal neoplasms**

Laparoscopic versus open surgery for the treatment of colorectal cancer: a literature review and recommendations from the Comité de l'évolution des pratiques en oncologie (Morneau and others) (Res) 297  
 Physicians' awareness of cytoreductive surgery and hyperthermic intraperitoneal chemotherapy for colorectal cancer carcinomatosis (Spiegel and others) (Res) 237  
 Retrospective review of rectal cancer surgery in northern Alberta (Pelletier and others) (Res) E51

**Coronary artery bypass**

On-pump beating-heart versus conventional coronary artery bypass grafting for revascularization in patients with severe left ventricular dysfunction: early outcomes (Erkut and others) (Res) 398

**Cost analysis**

Functional outcomes and cost estimation for extra-articular and simple intra-articular distal radius fractures treated with open reduction and internal fixation versus closed reduction and percutaneous Kirschner wire fixation (Dzaja and others) (Res) 378

**-D-**

**Delivery of health care**

Adding an endovascular aortic surgery program to a rural regional medical centre (Marelli and others) (Res) E105

**Diagnosis, differential**

The reliability of differentiating neurogenic claudication from vascular claudication based on symptomatic presentation (Nadeau and others) (Res) 372

**Diagnostic techniques and procedures**

Pediatric ovarian torsion: case series and review of the literature (Poonai and others) (Res) 103

**-E-**

**Education, medical**

Establishing a surgical partnership between Addis Ababa, Ethiopia, and Toronto, Canada (Cadotte and others) (Res) E19

Medicine versus surgery/anesthesiology intensivists: a retrospective review and comparison of outcomes in a mixed medical-surgical-trauma ICU (Lee and others) (Res) 275

Self-directed practice schedule enhances learning of suturing skills (Safir and others) (Res) E142

Surgery on a global scale at Western University (Serrano and others) (Comment) E49

Surgical culture in transition: gender matters and generation counts (Brown and others) (Res) 153

Surgical education and Weill Bugando Medical Centre: supplementing surgical training and investing in local health care providers (Mitchell and others) (Rev) 199

**Emergency medical services**

Dedicated operating room for emergency surgery improves access and efficiency (Heng and Wright) (Res) 167

Interest and applicability of acute care surgery among surgeons in Quebec: a provincial survey (Joos and others) (Res) E63

**Endocrine gland neoplasms**

Limited adequacy of thyroid cancer patient follow-up at a Canadian tertiary care centre (Lam and others) (Res) 385

**Esophagectomy**

Jejunostomy tube feeding in patients undergoing esophagectomy (Srinathan and others) (Res) 409

**Evidence-based medicine**

CAGS and ACS Evidence Based Reviews in Surgery, 44. Is there an association between implementation of a medical team training program and surgical mortality? (Pawlik and others) (CME) 65  
 CAGS and ACS Evidence Based Reviews in Surgery, 45. Impact of the 80-hour work week on mortality and morbidity in trauma patients (Brasel and others) (CME) 204

CAGS and ACS Evidence Based Reviews in Surgery, 46. Cost-effectiveness of bariatric surgery for severely obese adults with diabetes (Henteleff and others) (CME) 353

CAGS and ACS Evidence Based Reviews in Surgery, 47. Does the long-term use of aspirin decrease the risk of death due to cancer? (Chaudhury and others) (CME) 427

Role of Evidence-Based Reviews in Surgery in teaching critical appraisal skills and in journal clubs (Ahmadi and others) (Res) E98

Why perform a priori sample size calculation? (Farrokhyar and others) (CME) 207

**-F-**

**Fibula**

Locked plate fixation of the comminuted distal fibula: a biomechanical study (White and others) (Res) 35

**Fluoroscopy**

Survey of terminology used for the intraoperative direction of C-arm fluoroscopy (Pally and Kreder) (Res) 109

**Fracture fixation**

Feasibility and fidelity of practising surgical fixation on a virtual ulna bone (LeBlanc and others) (Res) E91

Functional outcomes and cost estimation for extra-articular and simple intra-articular distal radius fractures treated with open reduction and internal fixation versus closed reduction and percutaneous Kirschner wire fixation (Dzaja and others) (Res) 378

Locked plate fixation of the comminuted distal fibula: a biomechanical study (White and others) (Res) 35

**Fracture fixation, internal**

Subbrachial approach to humeral shaft fractures: new surgical technique and retrospective case series study (Boschi and others) (Res) 27

**Fracture fixation, intramedullary**

Systematic review of complications after intramedullary fixation for displaced midshaft clavicle fractures (Wijdicks and others) (Rev) 58

**Fracture healing**

Development and preliminary validation of a Function Index for Trauma (FIX-IT) (Bhandari and others) (Res) E114

**Frozen sections**

Intraoperative pathology consultation: error, cause and impact (Mahe and others) (Res) E13

–G–

**Gastrectomy**

- Comparison of laparoscopic Roux-en-Y gastric bypass with laparoscopic sleeve gastrectomy for morbid obesity or type 2 diabetes mellitus: a meta-analysis of randomized controlled trials (Li and others) (Res) E158
- Complications associated with laparoscopic sleeve gastrectomy for morbid obesity: a surgeon's guide (Sarkhosh and others) (Rev), 347
- Oncologic specimen from laparoscopic assisted gastrectomy for gastric adenocarcinoma is comparable to D1-open surgery: the experience of a Canadian centre (Hallet and others) (Res) 249

**General surgery**

- Acute general surgery in Canada: a survey of current handover practices (Johner and others) (Res) E24
- Reducing elective general surgery cancellations at a Canadian hospital (Azari-Rad and others) (Res) 113

**Graft rejection**

- Early and late outcomes after cardiac retransplantation (Saito and others) (Res) 21

–H–

**Hazards, equipment**

- Use of safety scalpels and other safety practices to reduce sharps injury in the operating room: What is the evidence? (DeGirolamo and others) (Res) 263

**Health knowledge, attitudes, practice**

- Canadian physicians need better CMA representation (Harvey) (E) 3
- Les médecins du Canada ont besoin d'une meilleure représentation de la part de l'AMC (Harvey) (E) 4
- Uptake of an innovation in surgery: observations from the cluster-randomized Quality Initiative in Rectal Cancer trial (Simunovic and others) (Res) 415

**Heart transplantation**

- Early and late outcomes after cardiac retransplantation (Saito and others) (Res) 21

**Hepatectomy**

- Survival after hepatic resection: impact of surgeon training on long-term outcome (McColl and others) (Res) 256

**Hepatitis C**

- Hepatitis C and the surgeon (Fisher) (Comment) 80

**Hernia, inguinal**

- Quality of inguinal hernia operative reports: room for improvement (Ma and others) (Res) 393

**Hip fractures**

- The lateral radiograph is useful in predicting shortening in 31A2 pertrochanteric hip fractures (Tufescu and Sharkey) (Res) 270

**History of medicine**

- Canadian contribution to the ACS (McAlister) (E) 222
- Contribution du Canada à l'ACS (McAlister) (E) 223

**Humeral fractures**

- Subbrachial approach to humeral shaft fractures: new surgical technique and retrospective case series study (Boschi and others) (Res) 27

**Hydatidosis**

- Postoperative recurrence of cystic hydatidosis: What are the predictive factors? (El Malki and Souadka) (C) E44

**Hydrocele**

- Role of persistent processus vaginalis in hydroceles found in a tropical population (McAlister and Trottier) (Res) E29

–I–

**Injuries, sports**

- Severe street and mountain bicycling injuries in adults: a comparison of incidence, risk factors and injury patterns over 14 years (Roberts and others) (Res) E32

**Intermittent claudication**

- The reliability of differentiating neurogenic claudication from vascular claudication based on symptomatic presentation (Nadeau and others) (Res) 372

**International educational exchange**

- Establishing a surgical partnership between Addis Ababa, Ethiopia, and Toronto, Canada (Cadotte and others) (Res) E19

- Surgery on a global scale at Western University (Serrano and others) (Comment) E49

- Surgical education at Weill Bugando Medical Centre: supplementing surgical training and investing in local health care providers (Mitchell and others) (Rev) 199

**Internship and residency**

- A new era for resident duty hours in surgery calls for greater emphasis on resident wellness (Imrie and others) (Comment) 295
- Les conditions de travail des résidents sous le microscope (Harvey) (E) 294
- Resident work conditions under the microscope (Harvey) (E) 293
- Safety and efficiency assessment of training Canadian cardiac surgery residents to perform aortic valve surgery (Chen and others) (Res) 180
- What is an ideal surgical clerkship? (Tahiri and Liberman) (Comment) 151

**Intraoperative complications**

- Comment on "Comparison of the major intraoperative and postoperative complications between unilateral and sequential bilateral total knee arthroplasty in a high-volume community hospital" (Razii and Morgan-Jones) (C) E172
- Comment on "Comparison of the major intraoperative and postoperative complications between unilateral and sequential bilateral total knee arthroplasty in a high-volume community hospital": the authors respond (Spicer and others) (C) E172
- Comparison of the major intraoperative and postoperative complications between unilateral and sequential bilateral total knee arthroplasty in a high-volume community hospital (Spicer and others) (Res) 311

**Intraoperative period**

- Using a depth-sensing infrared camera system to access and manipulate medical imaging from within the sterile operating field (Strickland and others) (Res) E1

–J–

**Jejunostomy**

- Jejunostomy tube feeding in patients undergoing esophagectomy (Srinathan and others) (Res) 409

**Job satisfaction**

- Characteristics of highly successful orthopedic surgeons: a survey of orthopedic chairs and editors (Klein and others) (Res) 192

–L–

**Laparoscopy**

- Clinical outcomes compared between laparoscopic and open appendectomy in pregnant women (Chung and others) (Res) 341
- Comparison of laparoscopic Roux-en-Y gastric bypass with laparoscopic sleeve gastrectomy for morbid obesity or type 2 diabetes mellitus: a meta-analysis of randomized controlled trials (Li and others) (Res) E158
- Laparoscopic bariatric surgery can be performed safely in secondary health care centres with a dedicated service corridor to an affiliated tertiary health care centre (Christou) (Res) E68
- Laparoscopic versus open surgery for the treatment of colorectal cancer: a literature review and recommendations from the Comité de l'évolution des pratiques en oncologie (Morneau and others) (Res) 297
- Oncologic specimen from laparoscopic assisted gastrectomy for gastric adenocarcinoma is comparable to D1-open surgery: the experience of a Canadian centre (Hallet and others) (Res) 249
- Preoperative factors predicting poor outcomes following laparoscopic choledochotomy: a multivariate analysis study (Ye and others) (Res) 227

**Liver transplantation**

- Recipient ineligibility after liver transplantation assessment: a single centre experience (Arya and others) (Res) E39

–M–

**Mandatory reporting**

- Quality of inguinal hernia operative reports: room for improvement (Ma and others) (Res) 393

**Medical informatics**

Validity of vascular trauma codes at major trauma centres (Altoijry and others) (Res) 405

**Medical waste disposal**

Surgical waste audit of 5 total knee arthroplasties (Stall and others) (Res) 97

**Medicine, tropical**

Role of persistent processus vaginalis in hydroceles found in a tropical population (McAlister and Trotter) (Res) E29

**Mortality**

Celebrity traumatic deaths: Are gangster rappers really “gangsta”? (Ball and others) (Res) E59

–N–

**Narrative medicine**

Quality of narrative operative reports in pancreatic surgery (Wiebe and others) (Res) E121

**Natural orifice transluminal endoscopic surgery**

NOTES for the management of an intra-abdominal abscess: transcolonic peritonoscopy and abscess drainage in a canine model (Moustarah and others) (Res) 159

**Neoplasm recurrence, local**

Intentionally curative treatment of locally recurrent rectal cancer: a systematic review (Tanis and others) (Rev) 135

**Nitric oxide synthase**

Inhibiting inducible nitric oxide synthase with rutin reduces renal ischemia/reperfusion injury (Korkmaz and Kolankaya) (Res) 6

–O–

**Obesity**

Biological effects of bariatric surgery on obesity-related comorbidities (Noria and Grantcharov) (Rev) 47

Complications associated with laparoscopic sleeve gastrectomy for morbid obesity: a surgeon’s guide (Sarkhosh and others) (Rev) 347

Evaluation of the Swedish adjustable gastric band VC (SAGB-VC) in an Australian population: early results (Keogh and others) (Res) 15

**Open access to information**

La lente émergence d’un nouveau journalisme médical (McAlister) (E) 78  
Slow birth of new-wave medical journalism (McAlister) (E) 77

**Operating rooms**

Comment on “Identification and use of operating room efficiency indicators: the problem of definition” (Kazemier and van Veen-Berkx) (C) E103

Dedicated operating room for emergency surgery improves access and efficiency (Heng and Wright) (Res) 167

Identification and use of operating room efficiency indicators: the problem of definition (Fixler and Wright) (Comment) 224

Identification and use of operating room efficiency indicators: the problem of not performing the right search within PubMed: the authors respond (Fixler and Wright) (C) E104

Identification and use of operating room efficiency indicators: the problem of not performing the right search within PubMed (Stepaniak) (C) E103

Use of safety scalpels and other safety practices to reduce sharps injury in the operating room: What is the evidence? (DeGirolamo and others) (Res) 263

**Operating room information systems**

Reducing elective general surgery cancellations at a Canadian hospital (Azari-Rad and others) (Res) 113

**Orthopedics**

Characteristics of highly successful orthopedic surgeons: a survey of orthopedic chairs and editors (Klein and others) (Res) 192

Development and preliminary validation of a Function Index for Trauma (FIX-IT) (Bhandari and others) (Res) E114

Feasibility and fidelity of practising surgical fixation on a virtual ulna bone (LeBlanc and others) (Res) E91

Total hip arthroplasty using a combined anterior and posterior approach via a lateral incision in patients with ankylosed hips (Li and others) (Res) 332

Transforaminal epidural steroid injections prevent the need for surgery in patients with sciatica secondary to lumbar disc herniation: a retrospective case series (Manson and others) (Res) 89

**Osteonecrosis**

Total hip arthroplasty in steroid-induced osteonecrosis: early functional and radiological outcomes (Rahman and others) (Res) 41

**Outcome assessment**

Off-pump anteroapical aneurysm plication following left ventricular postinfarction aneurysm: effect on cardiac function, clinical status and survival (Huang and others) (Res) 119

On-pump beating-heart versus conventional coronary artery bypass grafting for revascularization in patients with severe left ventricular dysfunction: early outcomes (Erkut and others) (Res) 398

Outcomes: wedge resection versus lobectomy for non-small cell lung cancer at the Cancer Centre of Southeastern ONtario 1998–2009 (McGuire and others) (Res) E165

Preoperative factors predicting poor outcomes following laparoscopic choledochotomy: a multivariate analysis study (Ye and others) (Res) 227

Retrospective review of rectal cancer surgery in northern Alberta (Pelletier and others) (Res) E51

Survival after hepatic resection: impact of surgeon training on long-term outcome (McCull and others) (Res) 256

–P–

**Pancreatitis**

Effects of trimetazidine in acute pancreatitis induced by L-arginine (Yenicierioglu and others) (Res) 175

**Patient safety**

Acute general surgery in Canada: a survey of current handover practices (Johner and others) (Res) E24

Impact of a regional acute care surgery model on patient access and outcomes (Kreindler and others) (Res) 318

**Perioperative care**

High-concentration oxygen and surgical site infections in abdominal surgery: a meta-analysis (Patel and others) (Res) E82

**Physicians’ role**

Canadian physicians need better CMA representation (Harvey) (E) 3  
Les médecins du Canada ont besoin d’une meilleure représentation de la part de l’AMC (Harvey) (E) 4

**Postoperative care**

Limited adequacy of thyroid cancer patient follow-up at a Canadian tertiary care centre (Lam and others) (Res) 385

**Postoperative complications**

Complications following hip arthroscopy: a retrospective review of the McMaster experience (2009–2012) (Chan and others) (Res) 422

Postoperative recurrence of cystic hydatidosis: What are the predictive factors? (El Malki and Souadka) (C) E44

Systematic review of complications after intramedullary fixation for displaced midshaft clavicle fractures (Wijdicks and others) (Rev) 58

**Public health informatics**

Outcomes of the adjustable gastric band in a publicly funded obesity program (Chiu and others) (Res) 233

**Publishing**

La lente émergence d’un nouveau journalisme médical (McAlister) (E) 78

Slow birth of new-wave medical journalism (McAlister) (E) 77

–Q–

**Quality of health care**

Differences between referred and nonreferred patients in cancer research (Faulds and others) (Res) E135

Intraoperative pathology consultation: error, cause and impact (Mahe and others) (Res) E13

Quality of narrative operative reports in pancreatic surgery (Wiebe and others) (Res) E121

Timeliness in obtaining emergent percutaneous procedures in severely injured patients: How long is too long and should we create quality assurance guidelines? (Smith and others) (Res) E154

**Quality of life**

Outcome 1 year after digestive surgery in malnourished, elderly patients, with an emphasis on quality of life analysis (Zacharias and Zacharias) (Res) 128

Transanal endoscopic microsurgery: impact on fecal incontinence and quality of life (Planting and others) (Res) 243

-R-

**Radiography**

The lateral radiograph is useful in predicting shortening in 31A2 pertrochanteric hip fractures (Tufescu and Sharkey) (Res) 270

**Radiotherapy**

Patterns of use and outcomes for radiation therapy in the Quality Initiative in Rectal Cancer (QIRC) trial (Francescutti and others) (Res) E148

**Rectal cancer**

Intentionally curative treatment of locally recurrent rectal cancer: a systematic review (Tanis and others) (Rev) 135  
 Patterns of use and outcomes for radiation therapy in the Quality Initiative in Rectal Cancer (QIRC) trial (Francescutti and others) (Res) E148

**Referral**

Differences between referred and nonreferred patients in cancer research (Faulds and others) (Res) E135

**Reperfusion injury**

Inhibiting inducible nitric oxide synthase with rutin reduces renal ischemia/reperfusion injury (Korkmaz and Kolankaya) (Res) 6

**Risk assessment**

Hepatitis C and the surgeon (Fisher) (Comment) 80  
 Transforaminal epidural steroid injections prevent the need for surgery in patients with sciatica secondary to lumbar disc herniation: a retrospective case series (Manson and others) (Res) 89

-S-

**Sentinel lymph node biopsy**

Quality indicators for sentinel lymph node biopsy: Is there room for improvement? (Acuna and others) (Res) 82

**Specialties, surgical**

About time (Harvey) (E) 149  
 Il est grand temps (Harvey) (E) 150  
 Medicine versus surgery/anesthesiology intensivists: a retrospective review and comparison of outcomes in a mixed medical-surgical-trauma ICU (Lee and others) (Res) 275

**Specialty, rectal surgery**

Uptake of an innovation in surgery: observations from the cluster-randomized Quality Initiative in Rectal Cancer trial (Simunovic and others) (Res) 415

**Splenectomy**

Minimally invasive splenectomy: an update and review (Gamme and others) (Rev) 280

**Surgical equipment**

Using a depth-sensing infrared camera system to access and manipulate medical imaging from within the sterile operating field (Strickland and others) (Res) E1

**Surgical procedures, digestive system**

Outcome 1 year after digestive surgery in malnourished, elderly patients, with an emphasis on quality of life analysis (Zacharias and Zacharias) (Res) 128

**Surgical procedures, endoscopic**

Transanal endoscopic microsurgery: impact on fecal incontinence and quality of life (Planting and others) (Res) 243

**Surgical procedures, minimally invasive**

Minimally invasive splenectomy: an update and review (Gamme and others) (Rev) 280

**Surgical service, hospital**

Effect of an acute care surgical service on the timeliness of care (Faryniuk and Hochman) (Res) 187

**Surgical wound infection**

High-concentration oxygen and surgical site infections in abdominal surgery: a meta-analysis (Patel and others) (Res) E82

**Sutures**

Self-directed practice schedule enhances learning of suturing skills (Safir and others) (Res) E142

-T-

**Terminology as topic**

Comment on "Identification and use of operating room efficiency indicators: the problem of definition" (Kazemier and van Veen-Berkx) (C) E103  
 Identification and use of operating room efficiency indicators: the problem of definition (Fixler and Wright) (Comment) 224  
 Identification and use of operating room efficiency indicators: the problem of not performing the right search within PubMed: the authors respond (Fixler and Wright) (C) E104  
 Identification and use of operating room efficiency indicators: the problem of not performing the right search within PubMed (Stepaniak) (C) E103  
 Survey of terminology used for the intraoperative direction of C-arm fluoroscopy (Pally and Kreder) (Res) 109

**Thoracic surgery**

A look at the thoracic surgery workforce in Canada: how demographics and scope of practice may impact future workforce needs (Grondin and others) (Res) E75

**Thyroidectomy**

Incremental value and clinical impact of neck sonography for primary hyperparathyroidism: a risk-adjusted analysis (Tee and others) (Res) 325

**Time factors**

Effect of an acute care surgical service on the timeliness of care (Faryniuk and Hochman) (Res) 187  
 Impact of a regional acute care surgery model on patient access and outcomes (Kreindler and others) (Res) 318  
 Timeliness in obtaining emergent percutaneous procedures in severely injured patients: How long is too long and should we create quality assurance guidelines? (Smith and others) (Res) E154

**Transplant recipient**

Recipient ineligibility after liver transplantation assessment: a single centre experience (Arya and others) (Res) E39

**Trauma**

Celebrity traumatic deaths: Are gangster rappers really "gangsta"? (Ball and others) (Res) E59

**Trauma Association of Canada**

Trauma 2013. Trauma Association of Canada (TAC) Annual Scientific Meeting (Suppl) S1

**Trimetazidine**

Effects of trimetazidine in acute pancreatitis induced by L-arginine (Yenicieroglu and others) (Res) 175

-U-

**Ultrasonography**

Incremental value and clinical impact of neck sonography for primary hyperparathyroidism: a risk-adjusted analysis (Tee and others) (Res), 325

-V-

**Vascular injuries**

Validity of vascular trauma codes at major trauma centres (Altoijry and others) (Res) 405

-W-

**Workforce**

A look at the thoracic surgery workforce in Canada: how demographics and scope of practice may impact future workforce needs (Grondin and others) (Res) E75

**Workload**

A new era for resident duty hours in surgery calls for greater emphasis on resident wellness (Imrie and others) (Comment) 295  
 Les conditions de travail des résidents sous le microscope (Harvey) (E) 294  
 Resident work conditions under the microscope (Harvey) (E) 293
