## Subjects • Sujets

### -A-

#### Abdomen

- Adhesive small bowel obstruction: epidemiology, biology and prevention (Attard and MacLean) (SBC) 291
- Characterizing laparoscopic incisional hernia repair (Birch) (OA) 195
- Rupture of a mesenteric hydatid cyst: a rare cause of acute abdomen (Kusaslan and others) (CN) (5):online 3

#### Adenocarcinoma

- Canadian Association of General Surgeons and American College of Surgeons Evidence-Based Reviews in Surgery. 22. The use of PET/CT scanning on the management of resectable pancreatic cancer (Taylor and others) (EBS) 400

#### Adenoma

- Jejunal adenoma presenting with gastrointestinal bleeding (Wiseman and others) (CN) 223
- Surgical images: soft tissue. Calcinosis cutis (Dubois and others) (CME) 217

#### Adhesions

- Adhesive small bowel obstruction: epidemiology, biology and prevention (Attard and MacLean) (SBC) 291

#### Adult stem cells

- Adult stem or progenitor cells in treatment for type 1 diabetes: current progress (Liao and others) (SBC) 137

#### Air ambulances

- Air versus ground transport of major trauma patients to a tertiary trauma centre: a province-wide comparison using TRISS analysis (Mitchell and others) (OA) 129

#### Amyloidosis

- Musculoskeletal pain in dialysis-related amyloidosis (Kelly and others) (CN) 305

#### Aneurysm

- Salmonella* urinary tract infection: a vascular emergency (Gagnon and others) (CN) 221

#### Aneurysm, false

- Urgent endovascular stenting of subclavian artery pseudoaneurysm caused by seatbelt injury (Bukhari and others) (CN) 303

#### Anti-bacterial agents

- Treatment of an infected total hip replacement with the PROSTALAC system. Part 1: Infection resolution (Scharfenberger and others) (OA) 24
- Treatment of an infected total hip replacement with the PROSTALAC system. Part 2: Health-related quality of life and function with the PROSTALAC implant in situ (Scharfenberger and others) (OA) 29

#### Anticoagulants

- Splenic and superior mesenteric artery thrombolytic infusion therapy for acute portal and mesenteric vein thrombosis: a case report (Safieddine and others) (CN) 68

#### Aorta, thoracic

- Simultaneous stent grafting of the descending thoracic aorta and aortofemoral bypass for "shaggy aorta" syndrome (Illuminati and others) (CN) (5):online 1

#### Aortic aneurysm, abdominal

- The effect of patient transfer on outcomes after rupture of an abdominal aortic aneurysm (Hames and others) (OA) 43

#### Aortic rupture

- The effect of patient transfer on outcomes after rupture of an abdominal aortic aneurysm (Hames and others) (OA) 43

#### Appendix

- Mucocele of the appendix associated with a carcinoid of the terminal ileum (Rakovich and Larue) (CN) 66

#### Arteritis

- Salmonella* urinary tract infection: a vascular emergency (Gagnon and others) (CN) 221

#### Arthralgia

- Musculoskeletal pain in dialysis-related amyloidosis (Kelly and others) (CN) 305

#### Arthroplasty, replacement, hip

- The wait for total hip replacement in patients with osteoarthritis (Gaudet and others) (OA) 101
- Treatment of an infected total hip replacement with the PROSTALAC system. Part 1: Infection resolution (Scharfenberger and others) (OA) 24
- Treatment of an infected total hip replacement with the PROSTALAC system. Part 2: Health-related quality of life and function with PROSTALAC implant in situ (Scharfenberger and others) (OA) 29

#### Arthroplasty, replacement, knee

- Does patient perception of alignment affect total knee arthroplasty outcome? (Gandhi and others) (OA) 181

#### Arthroscopy

- A randomized pilot validation of educational measures in teaching shoulder arthroscopy to surgical residents (Ceponis and others) (OA) 387

### -B-

#### Bacterial infections

- Hepatic portal venous gas from perforated sigmoid diverticulitis (Duggal and others) (CN) (6):online 7

#### Bariatric surgery

- Is type 2 diabetes a surgical disease? (Anvari) (QS) 249

#### Bibliometrics

- Factors associated with citation rates in the orthopedic literature (Bhandari and others) (OA) 119

#### Biliary tract diseases

- Factors influencing waiting times for elective laparoscopic cholecystectomy (Lau and others) (OA) 34

#### Biomechanics

- Does patient perception of alignment affect total knee arthroplasty outcome? (Gandhi and others) (OA) 181

#### Blood transfusion

- An approach to transfusion and hemorrhage in trauma: current perspectives on restrictive transfusion strategies (Tien and others) (SBC) 202

#### Bone cements

- Treatment of an infected total hip replacement with the PROSTALAC system. Part 1: Infection resolution (Scharfenberger and others) (OA) 24

#### Bone nails

- Incidence of intramedullary nail removal after femoral shaft fracture healing (Hui and others) (OA) 13

#### Bone transplantation

- The use of postoperative bone scintigraphy to predict graft retention (Droll and others) (OA) 261

## Book reviews

- A history of neuro-oncology* (McAlister) (BR) 70  
*Current consult surgery, 1st edition* (Sahajpal) (BR) 145  
*Current surgical diagnosis & treatment, 12th edition* (Karanicolas) (BR) 145  
*Harvey Cushing: a life in surgery* (Del Maestro) (BR) 70  
*Pioneers in surgical gastroenterology* (Leddin) (BR) 145

## Breast neoplasms

- Canadian Association of General Surgeons and American College of Surgeons Evidence-Based Reviews in Surgery. 23. ASCO recommended guidelines for sentinel lymph node biopsy for early-stage breast cancer (Neumayer and others) (EBS) 482

## -C-

### Calcinosis

- Surgical images: soft tissue. Calcinosis cutis (Dubois and others) (CME) 217

### Canadian Society for Vascular Surgery

- Canadian Society for Vascular Surgery 2007: September 28–29, 2007, Montreal, Quebec (ABS) 314

### Canadian Society of Surgical Oncology

- Canadian Society of Surgical Oncology Meeting: April 27, 2007, Toronto, Ontario (ABS) 307

### Canadian Special Interest Group

- Canadian Special Interest Group 2007: Abstracts presented at the American Burn Association 39th Annual Meeting, March 19, 2007, San Diego, California (ABS) 147

### Canadian Spine Society

- Canadian Spine Society Seventh Annual Meeting, Mont Tremblant, Quebec, March 21–24, 2007 (ABS) (3):suppl 1

### Canadian Surgery Forum

- Abstracts presented to the Annual Meetings of the Canadian Society of Colon and Rectal Surgeons, Canadian Association of General Surgeons and Canadian Association of Thoracic Surgeons, September 6–9, 2007 (ABS) (4):suppl 1

### Carcinoid tumor

- Mucocele of the appendix associated with a carcinoid of the terminal ileum (Rakovich and Larue) (CN) 66

### Cardiopulmonary bypass

- Simultaneous stent grafting of the descending thoracic aorta and aortofemoral bypass for “shaggy aorta” syndrome (Illuminati and others) (CN) (5):online 1

### Catchment area (health)

- Influence of local provision of specialty health care service on patient access to care (McAlister) (OA) 124

### Chest tubes

- Chest tube complications: How well are we training our residents? (Ball and others) (OA) 450

### Child

- An open and shut case for early VATS treatment of primary spontaneous pneumothorax in children (Butterworth and others) (OA) 171

- Development of a provincial guideline for the acute assessment and management of adult and pediatric patients with head injuries (Hebb and others) (OA) 187

- Reliability of radiographic measurement of fracture angulation in children with femoral shaft fractures (Owen and others) (OA) 115

- Reliability of hip range of motion using goniometry in pediatric femur shaft fractures (Owen and others) (OA) 251

### Cholangitis

- Recurrent pyogenic cholangitis in a white woman (Bergman and others) (CN) (5):online 9

### Cholecystectomy

- The role of prophylactic cholecystectomy versus deferral in the care of patients after endoscopic sphincterotomy (Archibald and others) (OA) 19

- Canadian Association of General Surgeons and American College of Surgeons Evidence-Based Reviews in Surgery. 20. Small gallstones may increase the risk of pancreatitis; is there a benefit for a prophylactic cholecystectomy? (Barkun and others) (EBS) 62

- Factors influencing waiting times for elective laparoscopic cholecystectomy (Lau and others) (OA) 34

### Choristoma

- Ectopic breast tissue presenting as an anal polyp (Chan and others) (CN) (6):online 11

### Colectomy

- Laparoscopic surgery for colorectal cancer: a systematic review (Kahnnamoui and others) (RA) 48

### Colonic diseases

- Can community surgeons perform laparoscopic colorectal surgery with outcomes similar to tertiary care centres? (Sebahang and others) (OA) 110

- Intussusception in adults: surgical aspects (Montiel-Jarquín) (C) 412

- Laparoscopic colorectal surgery and community hospitals (Rulli and others) (C) 410

- Laparoscopic colorectal surgery and community hospitals (Dr. McKinley replies) (McKinley) (C) 410

- Laparoscopic colorectal surgery and community hospitals (Gagné) (C) 410

- Surgical images: soft tissue. Transverse colonic intussusception (Correia and others) (CME) 60

- Intussusception in adults: surgical aspects (Montiel-Jarquín) (C) 412

- Laparoscopic surgery for colorectal cancer: a systematic review (Kahnnamoui and others) (RA) 48

- Surgical images: soft tissue. Transverse colonic intussusception (Correia and others) (CME) 60

### Colonoscopy

- Intussusception in adults: surgical aspects (Montiel-Jarquín) (C) 412

- Surgical images: soft tissue. Postgastrectomy benign gastrojejunocolic fistula (Herbella and others) (CME) 397

- Surgical images: soft tissue. Transverse colonic intussusception (Correia and others) (CME) 60

### Contract services

- The effect of clinical academic service contracts on surgeon satisfaction (Clifton and others) (OA) 175

### Coronary artery bypass

- A systematic review of the quality of publications reporting coronary artery bypass grafting trials (Farrokhyar and others) (RA) 266

### Craniocerebral trauma

- Development of a provincial guideline for the acute assessment and management of adult and pediatric patients with head injuries (Hebb and others) (OA) 187

## -D-

### Diabetes mellitus, type 1

- Adult stem or progenitor cells in treatment for type 1 diabetes: current progress (Liao and others) (SBC) 137

### Diabetes mellitus, type 2

- Is type 2 diabetes a surgical disease? (Anvari) (QS) 249

### Diabetic ketoacidosis

- Spontaneous pneumorrhachis associated with pneumomediastin in a patient with diabetic ketoacidosis: an exceptional manifestation of a benign disease (Drolet and others) (CN) 225

### Diaphragm

- Rofecoxib associated with diaphragm disease (Lapner and Stephen) (CN) (6):online 15

### Diffusion of innovation

- The feasibility of introducing advanced minimally invasive surgery into surgical practice (Birch and others) (OA) 256

- Redeveloping the Canadian operating room for 2020 (Warnock) (E) 245

- Réaménagement des salles d'opération canadiennes pour l'an 2020 (Warnock) (E) 247

### Digestive system fistula

- Surgical images: soft tissue. Postgastrectomy benign gastrojejunocolic fistula (Herbella and others) (CME) 397

### Digestive system surgical procedures

- The feasibility of introducing advanced minimally invasive surgery into surgical practice (Birch and others) (OA) 256

### Diverticulitis, colonic

- Hepatic portal venous gas from perforated sigmoid diverticulitis (Duggal and others) (CN) (6):online 7

## -E-

**Echinococcosis**

- Rupture of a mesenteric hydatid cyst: a rare cause of acute abdomen (Kuslan and others) (CN) (5):online 3
- Huge hydatid cysts that arise from the liver, growing exophytically (Sahin and others) (CN) 301

**Education, medical, continuing**

- The impact of a comprehensive course in advanced minimal access surgery on surgeon practice (Birch and others) (OA) 9
- Mentoring for surgical skills: a tool to share the workload (Shiwani) (QS) 432

**Education, medical, undergraduate**

- A systematic review of the methodological quality and outcomes of RCTs to teach medical undergraduates surgical and emergency procedures (Thomas and others) (RA) 278

**Efficiency, organizational**

- Editor's view (Waddell) (E) 165
- Point de vue de la rédaction (Waddell) (E) 167

**Emergency medicine**

- Development of a provincial guideline for the acute assessment and management of adult and pediatric patients with head injuries (Hebb and others) (OA) 187
- A systematic review of the methodological quality and outcomes of RCTs to teach medical undergraduates surgical and emergency procedures (Thomas and others) (RA) 278

**Endoscopy**

- Surgical images: soft tissue. Postgastroectomy benign gastrojejunocolic fistula (Herbella and others) (CME) 397

**Esophageal and gastric varices**

- Pancreatic neuroendocrine tumour presented as isolated gastric varices (Wong and others) (CN) 143

**Esophageal perforation**

- Esophageal perforation in closed neck trauma (Henderson and others) (CN) (5):online 5

**Evidence-based medicine**

- The efficacy and risks of using povidone-iodine irrigation to prevent surgical site infection: an evidence-based review (Chundamala and Wright) (EBS) 473
- How evidence-based are CAGS surgeons really? (de Gara) (QS) 90
- Users' guide to the surgical literature: how to use a decision analysis (Mastracci and others) (EBS) 403

## -F-

**Factor VII**

- An approach to transfusion and hemorrhage in trauma: current perspectives on restrictive transfusion strategies (Tien and others) (SBC) 202

**Feasibility studies**

- The feasibility of introducing advanced minimally invasive surgery into surgical practice (Birch and others) (OA) 256

**Femoral fractures**

- Incidence of intramedullary nail removal after femoral shaft fracture healing (Hui and others) (OA) 13
- Reliability of radiographic measurement of fracture angulation in children with femoral shaft fractures (Owen and others) (OA) 115
- Reliability of hip range of motion using goniometry in pediatric femur shaft fractures (Owen and others) (OA) 251

**Femoral neoplasms**

- Surgical images: musculoskeletal. Synchronous multifocal osteosarcoma (Geller and others) (CME) 134

**Femur head necrosis**

- The use of postoperative bone scintigraphy to predict graft retention (Droll and others) (OA) 261

**Fibrin tissue adhesive**

- An approach to transfusion and hemorrhage in trauma: current perspectives on restrictive transfusion strategies (Tien and others) (SBC) 202

**Fibula**

- The use of postoperative bone scintigraphy to predict graft retention (Droll and others) (OA) 261

**Foot diseases**

- Radiology for the surgeon: musculoskeletal case 38 (Al-Nakshabandi and Munk) (CME) 58

**Fracture healing**

- Incidence of intramedullary nail removal after femoral shaft fracture healing (Hui and others) (OA) 13

**Fractures, malunited**

- Reliability of radiographic measurement of fracture angulation in children with femoral shaft fractures (Owen and others) (OA) 115

## -G-

**Gallstones**

- Canadian Association of General Surgeons and American College of Surgeons Evidence-Based reviews in Surgery. 20. Small gallstones may increase the risk of pancreatitis; is there a benefit for a prophylactic cholecystectomy? (Barkun and others) (EBS) 62

**Ganglion cysts**

- Radiology for the surgeon: musculoskeletal case 39 (Killeen and others) (CME) 219

**Gastroectomy**

- Surgical images: soft tissue. Postgastroectomy benign gastrojejunocolic fistula (Herbella and others) (CME) 397

**Gastric outlet obstruction**

- Gastric outlet obstruction (O'Carroll and Kennedy) (CN) (6):online 17

**Gastrointestinal hemorrhage**

- Jejunum adenoma presenting with gastrointestinal bleeding (Wiseman and others) (CN) 223

**Gastrointestinal stromal tumors**

- Gastrointestinal stromal tumour of the rectum associated with a cutaneous lesion (Sacks and Friedlich) (CN) (5):online 11
- Stromal tumour of the stomach (Rakovich) (CN) (6):online 13

**Gender**

- Does sex affect residency application to surgery? (Baerlocher) (OA) 434

**Graft survival**

- The use of postoperative bone scintigraphy to predict graft retention (Droll and others) (OA) 261

## -H-

**Hand injuries**

- Myositis ossificans traumatica of the hand (Chadha and Agarwal) (CN) (6):online 9

**Health resources**

- Editor's view (Waddell) (E) 165
- Point de vue de la rédaction (Waddell) (E) 167

- Réussir à voir le chirurgien (Warnock) (E) 88
- Influence of local provision of specialty health care service on patient access to care (McAlister) (OA) 124

**Heart septal defects**

- Case report of a ventricular septal defect secondary to blunt chest trauma (Rootman and others) (CN) 227

**Hemorrhage**

- An approach to transfusion and hemorrhage in trauma: current perspectives on restrictive transfusion strategies (Tien and others) (SBC) 202

**Hepatectomy**

- Macronodular hepatic tuberculosis necessitating hepatic resection: a diagnostic conundrum (Vimalraj and others) (CN) (5):online 7

**Hernia, ventral**

- Characterizing laparoscopic incisional hernia repair (Birch) (OA) 195

**Hip joint**

- Reliability of hip range of motion using goniometry in pediatric femur shaft fractures (Owen and others) 251

**Hip prosthesis**

- Treatment of an infected total hip replacement with the PROSTALAC system. Part 1: Infection resolution (Scharfenberger and others) (OA) 24
- Treatment of an infected total hip replacement with the PROSTALAC system. Part 2: Health-related quality of life and function with PROSTALAC implant in situ (Scharfenberger and others) (OA) 29

**History of medicine**

- A half century of publication on the frontiers of Canadian surgery (Waddell and Warnock) (E) 343
- Un demi-siècle de publication aux frontières de la chirurgie canadienne (Waddell and Warnock) (E) 345
- Canadian surgery and the *Canadian Journal of Surgery* — decades of change (Schmidt) (OA) 352

**Hospitals, private**

- Air versus ground transport of major trauma patients to a tertiary trauma centre: a province-wide comparison using TRISS analysis (Mitchell and others) (OA) 129

**-I-**

**Ilium**

- Leiomyoma of iliac bone (Balachandra and others) (CN) (6):online 21

**Illeal neoplasms**

- Mucocele of the appendix associated with a carcinoid of the terminal ileum (Rakovich and Larue) (CN) 66

**Internship and residency**

- An orthopedic career fair: a novel recruitment event (Reilly and others) (QS) 168
- A randomized pilot validation of educational measures in teaching shoulder arthroscopy to surgical residents (Ceponis and others) (OA) 387
- Chest tube complications: How well are we training our residents? (Ball and others) (OA) 450
- Does sex affect residency application to surgery? (Baerlocher) (OA) 434

**Intestinal obstruction**

- Adhesive small bowel obstruction: epidemiology, biology and prevention (Attard and MacLean) (SBC) 291

**Intraoperative complications**

- Chest tube complications: How well are we training our residents? (Ball and others) (OA) 450

**Intussusception**

- Intussusception in adults: surgical aspects (Montiel-Jarquín) (C) 412
- Intussusception in adults (Croome and Colquhoun) (CN) (6):online 1
- Surgical images: soft tissue. Transverse colonic intussusception (Correia and others) (CME) 60

**Irrigation**

- The efficacy and risks of using povidone-iodine irrigation to prevent surgical site infection: an evidence-based review (Chundamala and Wright) (EBS) 473

**Islets of Langerhans transplantation**

- Adult stem or progenitor cells in treatment for type 1 diabetes: current progress (Liao and others) (SBC) 137

**Isotonic solutions**

- An approach to transfusion and hemorrhage in trauma: current perspectives on restrictive transfusion strategies (Tien and others) (SBC) 202

**-J-**

**Jejunal neoplasms**

- Jejunal adenoma presenting with gastrointestinal bleeding (Wiseman and others) (CN) 223

**Job satisfaction**

- The effect of clinical academic service contracts on surgeon satisfaction (Clifton and others) (OA) 175

**-K-**

**Knee injuries**

- Positive predictive value of maximal posterior joint-line tenderness in diagnosing meniscal pathology: a pilot study (Wadey and others) (OA) 96

**Knee joint**

- Does patient perception of alignment affect total knee arthroplasty outcome? (Gandhi and others) (OA) 181

**-L-**

**Laparoscopy**
